### Special AGD requirements

Invoice date cannot be backdated by more than 7 calendar days or forward-dated.

For customer accounting, all invoice lines must have the same treatment. Invoices for items subject to customer accounting should be separately submitted from invoices for standard-rated and zero-rated items. For details on customer accounting, you may refer to the IRAS e-Tax Guide on "GST: Customer Accounting for Prescribed Goods".

Only 1 attachment is allowed per e-invoice. Acceptable formats: JPEG, PDF, and PNG Maximum file size: 1 MB.

For e-invoices billed against Invoicing Instruction (II) / Purchase Order (PO), the Invoice Line Description should match the line description of the II/PO.

For e-invoices billed against Invoicing Instruction (II) / Purchase Order (PO), Line Number of the II/PO should be captured in the e-invoice and sent using the OrderLineReference field.

If the e-invoice contains GST Amount, the GST registration of your vendor record created at Vendors@Gov should be "Yes".

If you do not have a registered vendor record, your e-invoice will be rejected.

No need to fill in payment details. The payment details of your Vendors@Gov records will be used
